

GEROH ATV Trailer „Chaser“

The Chaser is different in every aspect to typical commercial transport systems. The trailer is characterised by its military roots, its maximum cross-country mobility and its robustness. Developed for extraordinary burdens in arduous terrain our Chaser is following your off-road vehicle almost everywhere – guaranteed! Gone are the days when you parked your trailer at the roadside.

In addition a high payload, low basic weight, high clearance height and easy handling are the main characteristics.

Essential features:

- Originally developed for military use
- Cargo Bed Length / Width 2,70 m x 1,75 m
- Flexible transport of most different ATV's
- Load capacity of 1390 kg, basic weight of 610 kg
- Maximum clearance height of more than 30 cm
- Maximum angle of repose
